# Introductory Membership to the Southwest Michigan Skating Club

The Southwest Michigan Skating Club's (SWMSC) Introductory Membership is a two month, **non-renewable** membership. It is designed for the skater who is at a Basic 1 level or above and desires one-on-one instruction with a club coach (rather than lessons in a group setting) and is considering Full Club Membership.

The cost for the Introductory Membership is \$97\* and covers membership into the club for two months (or the length of time that it takes to complete the 8 punches on an Introductory Membership ice punch card, whichever comes first), a United States Figure Skating Association membership and a punch card good for any 8 club-scheduled ice sessions (on which the skater will have a lesson with a club-endorsed coach).\*\* During the 2 months, a skater is encouraged to schedule lessons with different club coaches so that a good working relationship with one or two of them may be established. At the end of the Introductory Membership, the skater will have the option to become a Full Club Member. Twenty dollars of the initial fee will be applied toward the cost of the Full Club Membership, as long as the skater enters the club upon completion of the Introductory Membership or up to 10 days thereafter.

Lessons with club coaches are to be scheduled directly with the coaches and a special Introductory Membership rate of \$5.00 (to be paid to the coaches) per 15 minute lesson will apply. Southwest Michigan Skating Club coaches are:

\*The Introductory Membership fee is payable to the ice monitor on the first night of scheduled lessons and should be accompanied by the completed Introductory Membership form.

\*\*Please note that skaters joining the club in an Introductory or Full Club capacity while at a Basic Skills level 3 or below may only be on the ice while under **direct supervision** of a coach and will have no unsupervised practice time.
